Asinta Web Site

If you need any country information or an Asinta Benchmark Insight Report from a Partner, you can find these on Asinta.com. For country information, go to the Asinta homepage and look for the menu that says "I need help in" and pick a country from the dropdown and click the GO button.

On the Asinta homepage, you can also find the "Show all knowledge in" menu. Use this to get Asinta Benchmark Insight Reports, market alerts, benchmarking content, compliance updates, and more.

Asinta Partner Web Site

The [Partner site](#) offers all your team members an overview of the value the Asinta Partnership provides and how to work.
